POTSDAM WALDSTADT, THAT'S US.

THE NETWORK

The EINE Waldstadt network is a free interest group that brings together different people and organizations in Potsdam Waldstadt I, II, and the Brunnenviertel. This includes social organizations, housing cooperatives, local businesses, educational and sports facilities, and a church community.

WHAT WE DO

We are dedicated to have Waldstadt acknowledged as an equal and vibrant district of Potsdam. Regular meetings facilitate the sharing of developments, ideas, and events, such as the district festival or the creation of a district representation.

DISTRICT COORDINATOR

Since 2022, Waldstadt has a district coordination office. This office serves to connect residents, organizations, sponsors, and the city administration in order to identify needs and convey them promptly. To achieve this, the coordinator provides regular consultation hours.

CONSULTATION HOURS

Every 2nd Monday of the month @Haus der Begegnung, 9:30-11:00AM.
Every Wednesday @Hort Zauberwald, 9:00-11:00 AM.

And upon request.

JOIN US!

- Interested in becoming more engaged?
